Hari Om

Every one, hearing the story of my entry into the world of music, has a come up with the same question: how did I, with rudimentary knowledge of language and music write these songs, and that too set in different ragas and thalas? Unable to answer it logically, I always answered it the only way I could. It must be Guruvayurappan who wrote them, using my hands.

To all His devotees, Guruvayurappan is none other than Narayana, who resides in His bhaktha's hearts as Balagopala, the ever smiling and happy prankster who is there for you whenever you need His help or protection. The music from His flute, which His devotees can hear when they call for Him, relieves their samsaradukham (worldly woes). This collection of Guruvayurappan songs is a proof of his miracles.

Mr. Prabhakara Varma, the great music teacher, encouraged me to continue my work. He advised me not to let the musicians, change the raga in which I wrote so that the bhava will remain the same.

Dr. K. Omanakutty, the favorite disciple of legendary Semmangudy Srinivasa Iyer and a true Guruvayurappan bhaktha, hearing about my story, felt that she had to help my efforts. Another Guruvayurappan miracle, I believe. Dr. Omanakutty's participation improved, naturally, the quality and the character of my krithis. Similarly, Dr. Sreevalsan, the gifted vocalist and music director also volunteered to sing for us. He also came to our help on several occasions for a variety of needs. These music stalwarts' bhakthi for Guruvayurappan and prasadam they received are really amazing. Tulasivanam, the famous composer also extended his hand of support when ever required.

The kind of participation and support I got from my family, relatives, friends as well other well wishers was enormous, particularly from Gananjali Bhajan Group, who regularly conducted bhajans in our local Guruvayurappan temple. Guruvayurappan's blessings will be always with them.

Sundara Narayana

PREFACE

Lord Sree Guruvayurappan is the favorite lord of millions of people all over the world in different forms. Praying to the lord by human being can be made possible by nine forms of Bhakthi, which is described in Bhaagavatham namely Sravanam, Keerthanam, Smaranam, Paadasevanam, Archanam, Vandanam, Sakhyam and Athma Nivedanam together defined as Navavidha Bhakthi. Among all these the most significant one is Keerthanam, the method of praising the lord through singing or Music. Madhura Bhakthi is a significant medium for attaining Moksha. In Padmapurana, Lord Vishnu says to Narada "I dwell neither in Vaikunda, nor in the hearts of Yogies but in the hearts of my devotees who sings about my glories".

नाहं वसामी वैकुण्ठे न योगी हृदये रवौ ।
मत् भक्ता यत्र गायन्ती तत्र तिष्ठामि नारदः ।

'Guruvayurappan Gaananjali' written by Sri. Sundara Narayana is a compendium of songs in praise of Lord Guruvayurappan consisting of nearly 200 songs. It is believed that Lord Krishna conveyed his message for composing songs in praise of Lord Krishna to Sri. Narayana Menon in his dream, who wrote these compositions with the pen name 'Sundara Narayana'. These compositions have been rendered on CD's and Tapes under the name 'Gaananjali', sung by top ranking musicians of Karnatic Music like Dr. K. Omanakutty, Sri. M.K. Sankaran Namboothiri, Dr. Sreevalsan Menon, Sri Senkottai Hariharasubramanian, Bombay Sisters and Sri. Muralidharan Unni.

In this work with the title 'Guruvayurappan Gaananjali - Book I', 78 songs have been notated and also recorded in CD enclosed along with the book. Among these 20 songs sung by Sri. M.K. Sankaran Namboothiri are notated by himself. It is my great privilege that I have been engaged to compile the notations of the songs in this book rendered by the eminent musicians. I am thankful to the Lord Guruvayurappan as well as to Sri. Sundara Naraayana whose work has been assigned to me. I express my hearty gratitude to Smt. Sreedevi Menon who assigned the work to me. I also express my thanks to Smt. Lekha Menon my close friend for suggesting my name for this work. I am also thankful to Sri. P. Nanda Kumar for his valuable suggestions for this work.

I am thankful to Lord Sri. Guruvayurappan with whose blessings I was able to complete the work on time. Further I express my gratitude to the Akshara Offset and to Smt. Jayasree for completing the work on time bound basis in the layout and printing.

I humbly submit this work at the holy feet of Lord Guruvayurappan and Music lovers all over the world.

About

NARAYANANKUTTY V.P. MENON

With pen name

SUNDARA NARAYANA

*N*arayanankutty Menon was born on February 23, 1938 in Vadakke Palazhy house, Nadavaramb, Irinjalakuda, Kerala, as the fourth son of Late Nanikutty Amma and Late Thaliyakkattil Narayana Menon. He stood first in his class of SSLC, did his BSc. in physics and Mathematics with a first class from Maharaja's college, Ernakulam. He proceeded to Mumbai where he passed his diploma in Mechanical Engineering from Victoria Jubilee Technical Institute. He then passed the examination of the Institution of Mechanical Engineers and became their Associate Member, A.M.I.E (India). He worked in Larsen & Toubro, Mumbai, Camphor and Allied Products, Bareilly and in Tractor Engineers, Mumbai, respectively as a project engineer till 1968.

In 1968, he immigrated to USA for the main purpose of higher studies. While working fulltime, as an environmental engineer in air pollution in New York City, he finished his MS in Mechanical Engineering from City University of New York. He worked as project manager in a company called Combustion Equipment Associates in New York City in the 70s and 80s. He holds a patent with a few of his co-workers for "echofuel" in alternate energy. He continued his work as an engineer in his own company for many years and retired from his work in 2003.

His gift as a composer in Carnatic music, which manifested only after the age of sixty, solely due to the Blessings of Guruvayurappan, is explained in the contents of the 'Guruvayurappan Gananjali' book. He was a very good student in Sanskrit as well as in mathematics and other subjects in the school and in the college. He used to

appreciate Carnatic music and used to attend kacheris sporadically since he was a college student. He developed a keen interest in Bharatanatyam and Carnatic music when his daughter started to learn these art forms in USA. He discovered he had a very good sense of rhythm at that time and used to help his daughter in her dance lessons. These interests stayed dormant, till he became 60 years old, when he started writing songs. He has been an ardent devotee of Guruvayurappan since childhood and a visit to Guruvayur for Darshan of Guruvayurappan has been essential for the family during every visit to India from USA .

He has composed more than 200 songs, in a span of 10 years. These are mainly about Guruvayurappan, but also songs of other deities. They are set to more than 90 ragas and different Thalas. His songs are made into 23 CDs, sung by wellknown musicians in India. He has also composed a Bharathanatyam dance drama, Manjulacharitham as well as 4 kaikottikali songs, which are performed in Guruvayur and other venues. Moreover about 30 songs are bhajans about Guruvayurappan. Annually on his birthdate, these songs are sung by many music students and teachers in Melpattur Auditorium, Guruvayur Temple and in Guruvayurappan Temple in New Jersey. Competitions of these songs are held annually by Nadopasana and SNGC trust, in his birthplace, Irinjalakuda and cash prizes are distributed. The winner in the senior section is also awarded Guruvayurappan Gananjali Puraskaram.

He lived in New Jersey, USA with his wife Sreedevi Menon, an internist and his childhood friend, and two children, Lakshmi Menon, MBBS and Jaykumar Menon MS. for many years. He passed away peacefully in his sleep on March 31st 2013.
